

## **Sermon Questions**

### **Revelation 13**

This week we were introduced to the antichrist and the false prophet in Revelation 13. Understanding their identity, practice and plan helps us as believers to know what to expect in our world as we move closer to the end. During the final three and half years of human history the antichrist will attempt to establish his authority as a political and military leader. The false prophet will be his minister of propaganda and facilitate his leadership. These times will call for perseverance and wisdom of the saints as they endure faithfully to the end.

Here are some notes to review from this week's sermon...
