Questions for Discussion:

What are you waiting for that you have been praying about for some time?

Is there someone you could/should be "unified" with in your prayers for this request?

If so, who might that be?

Are you presently praying together for this request? If not, why not?

Have you been tempted to give up and stop praying?

What will it look like for you to persevere in prayer for this request?

Are there ways you can see God working to prepare you while you are waiting?

If so, what do you see Him doing?

**PRAYER TAKES *WAITING*
FROM A *PASSIVE* THING
TO AN *ACTIVE* THING**
