Sermon Summary:

God's plan for His people includes being in groups that love us, care for us, and help us share our lives with each other. One way we do this is in smaller groups that devote ourselves continually collectively to the teaching of God's Word, worship, prayer, and meeting weekly in groups. We will never take these steps without complying to the Holy Spirit's promptings. We must stop allowing fear of the unknown to stop us from taking the steps God is compelling us to take. The outcome is God's role, and obedience to God's Word and Spirit is our responsibility.

Discussion Starters:

[The discussion starters are designed to help each other apply God's Word to our week. The idea is to help others continually take steps of obedience, not to the group leader particularly, but to God's voice in our own life.]

What did God speak to you personally through the message this weekend? What is God doing in your life? What steps are you taking to be obedient to What God is speaking to you? What habits need to change over the next seven days to be obedient to God this week?
